

CMR Logbook Course of 20 Congenital Cases

Held by Norfolk and Norwich University Hospital
In association with NANIME and CircleCVI

WHEN AND WHERE:

20th Sept – 31st Oct 2021

A series of virtual sessions
held via Zoom

WHO:

Any advanced imaging trainees in
cardiovascular MRI, aiming to
achieve L2 or L3 EACVI or SCMR
accreditation

FACULTY AND SPONSORS:

Course Lead: Dr Marina Hughes,
Consultant Congenital Cardiologist
Sponsored by: Circle CVI

QUERIES AND BOOKING:

Sophie Hudson, Deputy
Operational Manager
(+44) 1603 286884
Sophie.Hudson@nnuh.nhs.uk

Aim of the course:

This online course is for Radiology or Cardiology trainees interested in advanced cardiac imaging for adults.

The tuition and cases will build skill and confidence in basic CMR examination of suspected adult congenital heart disease (ACHD) and will fulfil L2 or L3 EACVI and SCMR logbook requirements for 20 ACHD cases, for any trainees on a non-congenital training pathway.

Course to include:

- Detailed tuition and instruction regarding a range of common congenital pathologies including: secundum ASD, sinus venosus ASD, partial anomalous pulmonary venous connection, pulmonary valve regurgitation, VSD, bicuspid aortic valve with aortopathy, repaired Tetralogy of Fallot, native and repaired coarctation aorta, AVSD, double chambered RV, congenitally-correct transposition.
- Individual, hands-on post-processing and draft report writing for each case.
- Teaching prior to each case and post-report analysis, explanation and coaching from an experienced, L3-accredited Congenital CMR expert
- Total 24 hours tuition time, spread over 6 weeks, to allow flexible reporting time.
- All course tutorials will be recorded and will be available to participants following each tutorial, and for 2 weeks after the course.

Fee: £600

Includes 24 hours of virtual teaching sessions, licenses for state of the art CircleCVI (cvi42) CMR reporting software for 42 days, technical support and all DICOM anonymised clinical data.

Book early to avoid disappointment, places are limited!

**Endorsed by Education Leaders in the European Association of
Cardiovascular Imaging**

CMR Logbook Course of 20 Congenital Cases

Held by Norfolk and Norwich University Hospital in association with NANIME and CircleCVI

Delegates are required to attend **AT LEAST** one of the first two live sessions on the afternoon of **Tuesday 21st September or Wednesday 22nd September. These sessions will not be recorded.**
All sessions from 28th September will be recorded and available to review after the session.

Programme				21 st September – 31 st October 2021			
Date	Duration	Time (UK)	Activity				
Monday 20th September 2021	Download cvi 42, start 42-day licence Tutorials 1-4 & DICOM data for cases 1-4 available						
Date	Duration	Time (UK)	Activity				
Tues 21st Sept	2 hours	15.00 – 17:00	Technical check, cvi42 software introduction Systematic anatomy review				
Weds 22nd Sept	2 hours	15.00 – 17.00	Technical check Flow and ventricular contouring live demo				
Tutorials 5-20, DICOM data for cases 5-20 available Self directed study and post-processing cases 1-4 Submit draft ROIS for cases 1-4 by Monday 27 th September							
Tues 28th Sept	2 hours	15.00 – 17:00	Review cases 1-2				
Weds 29th Sept	2 hours	15.00 – 17.00	Review cases 3-4				
Self-directed study and post-processing Cases 5 – 8 Submit draft ROIS for cases 5-8 by Monday 4 th October							
Tues 5th Oct	2 hours	15.00 – 17:00	Review cases 5-6				
Weds 6th Oct	2 hours	15.00 – 17.00	Review cases 7-8				
Self-directed study and post-processing cases 9-12 Submit draft ROIS for cases 9-12 by Monday 11 th October							
Tues 12th Oct	2 hours	15.00 – 17:00	Review cases 9-10				
Weds 13th Oct	2 hours	15.00 – 17.00	Review cases 11-12				
Self-directed study and post-processing Cases 13-16 Submit draft ROIS for cases 13-16 by Monday 18 th October							
Tues 19th Oct	2 hours	15.00 – 17:00	Review cases 13-14				
Weds 20th Oct	2 hours	15.00 – 17.00	Review cases 15-16				
Self-directed study and post processing cases 17-20 Submit ROIS for cases 17-20 by Monday 25 th October							
Tues 26th Oct	2 hours	15.00 – 17:00	Review cases 17-20				
Weds 27th Oct	2 hours	15.00 – 17.00	Quiz and Wrap Up				
Self-directed study and post-processing completion							
Sunday 31st October	Final day of licence Submit remaining ROIS for all cases – mandatory , to achieve certificate of completion						

cvi42 software requires certain hardware technical specifications; please contact Sophie Hudson to enquire about these specifications, and for options for temporary hire of a suitable laptop.
